

## New Fountain Square & Government Square photos added

Friday, 19 September 2008

The Fountain Square Gallery was updated with a new set of night photos to include Saturday Night at the Movies and the Genius of Water in front of the numerous backdrops of neon lighting. The Government Square photos were added to the Transportation Gallery and include several photos with car lights zooming by. You can view the Fountain Square Gallery [here](#) and the Transportation Gallery [here](#).
